## SUMMER ORCHESTRA 2010

How does Kearney manage to have so many outstanding string students year after year? The answer is.....**Summer Orchestra**. Once again we are offering two weeks, containing classes that will improve your playing and increase your musical knowledge. All classes will be held in the air-conditioned music rooms at Kearney High School. Our school string instruments will be available for your use during the two weeks, with the opportunity to rent on June 17. Registration is due \*by May 14 (\*Registrations will be accepted after this date, however some classes might be closed.)

Two weeks,  
with something for everyone!

### Week 1 Zing In Your Strings Camp

A chance to put more energy, greater enthusiasm and new skills in your playing. A variety of classes will be offered allowing you an opportunity to choose classes based on your own interests. All classes will be filled with information that there is never enough time to teach during the school year. Subjects to be included, but not limited to: basic maintenance-including putting on your own strings; playing higher-2nd position and up; virtuosi-the best of the best; alternative instruments-how to play; internet 101-tools and resources for the musician; and small groups-playing with your friends. (9:00-12:00)

**Pick Me-how to audition for honor groups** Learn how to prepare and what to do when auditioning for All-State and other honor orchestras. Includes instruction on the new 3rd year All-State etude. Start now, avoid the fall panic. (3:00-4:00)

### Week 2 Fiddle Camp

**Cristina Seaborn**, composer, arranger, teacher, and fiddler extraordinaire, will be teaching all aspects of fiddling. Three levels will be offered: beginning, intermediate, advanced. The week will conclude with a Friday night concert and bar-b-que. (9:00-12:00)
